

Our client is a new and upcoming leading provider of world-class healthcare services in Lagos, with the aim of providing prompt, efficient and high-quality healthcare services to all their patients. Our client believes in equipping patients with medical information to empower them to make informed decisions regarding their health management/healthy lifestyle.

As a result of expansion and strategic initiatives aimed at delivering increased value to patients' experience, career opportunities exist for high performing professionals that can contribute and support the organization's expansion objectives.

Position: General Practitioner/Head of Clinical Services

Reports to: The Chief Medical Director

Location: Victoria Island, Lagos

The Role:

The General Practitioner will be responsible for providing primary contact and continuous care toward the management of patients' health and will be expected to assess and treat a wide range of conditions, ailments, and injuries. Also, s/he will be expected to lead and manage the clinical services (including several physicians, nurses and other health care professionals) and will report directly to the Chief Medical Director. She/he will contribute to building patient base of regular, long-term visitors.

Duties and responsibilities

- Must possess exceptional professional skills and knowledge to provide a high standard of primary and continuing medical care to patients
- Respond to patients' medical/health problems by referring to their history and carrying out diagnosis, investigation, treatment, and referral as appropriate.
- Discuss side-effects, best conditions for use, and possible interactions of medication
- Contribute to the delivery of high-quality patient-centered care that addresses health needs and promotes wellness.
- Provide health education as required to promote wellness and adequate chronic disease management
- Supervise and train nurses and other medical professionals
- Participate in research studies commissioned by the hospital board

Qualifications and experience

- Must possess a medical degree (MBBS or equivalent) registerable with the Nigerian Medical and Dental Council
- **Post-graduate training in general practice or internal medicine is essential**
- Significant experience in general practice in a reputable organization
- Candidate must possess current practicing license
- International training or experience with high quality health systems is desirable

Essential competencies and attributes

- Clinical competence and a commitment to life-long learning
- Commitment to safety and quality of care
- Interested in contributing to the growth of the business and taking on increasing responsibilities as required
- Excellent written and verbal communication skills.
- Strong team player with proven organizational and administrative skills
- Strong Leadership skills
- Active listening skills
- Conversant with technology (experience with/or willingly to learn to use electronic medical records)
- Non-judgmental, flexible, creative, patient and tolerant

Compensation

Our client offers competitive salaries and excellent benefits including:

- Competitive salary with productivity incentives
- Health insurance
- Pension Plan
- Potential for relocation assistance
- Opportunities for future partnership
- Stability in an organization with over a decade of healthcare industry experience and has an excellent clinical reputation in the region
- Opportunities to participate alongside other physicians in quality improvement initiatives and be a key member of a new hospital system
